Artwork Specifications:

CLEAN, BLACK AND WHITE LINE ART is required
 CDR, PDF or AI files are required
 Tones and screens need to be converted to solids
 Broken lines, weak lines, or smeared art cannot be imprinted
 Outline all fonts in the artwork files
 File resolution must be over than 300DPI

PS:

No Logos / Artwork from a Website
 We cannot use logos/artwork that are copied from a website as these images are low resolution and will produce a jagged, pixilated imprint with poor quality

Applications:

- Access Control
- Door Lock System
- Identification
