Artwork Specifications:
CLEAN, BLACK AND WHITE LINE ART is required
CDR, PDF or AI files are required
Tones and screens need to be converted to solids
Broken lines, weak lines, or smeared art cannot be imprinted
Outline all fonts in the artwork files
File resolution must be over than 300DPI

PS:
No Logos / Artwork from a Website
We cannot use logos/artwork that are copied from a website as these images
are low resolution and will produce a jagged, pixilated imprint with poor quality

Applications:
- Access Management
- Electronic Toll Connection
- Loyalty

Preferred File Formats

Format	Extension	Description	Note
